PROFESSIONAL SUMMARY

Visual designer with experience in branded content, social media materials, digital-platform administration and subscriber support for UK medical exam-preparation academies. Develops practical web and app experiences through product direction, interface design and iteration.

DESIGN & DIGITAL OPERATIONS EXPERIENCE

Visual Designer & Digital Operations Coordinator

Oct 2024 - Present

PLABridge Academy (UK) & MSRA IV (UK) | Remote

- Create logos, posters, website visuals and branded course content.
- Manage course dashboards; upload, format and organise learning materials.
- Coordinate subscriber registration, payment follow-up and group access; respond to enquiries.
- Resolve login and account issues and provide remote technical support using AnyDesk.
- Set up and run short-term paid advertising campaigns for PLABridge Academy.

Additional Design Work: Logo design and real-estate marketing posters.
